To qualify for the ranking, companies must be owned by one or more Asian Americans (at least 51% ownership), among other eligibility criteria. Based on percentage revenue growth over three years, selection was determined through direct applications and nominations. All finalists were independently verified by the professional services firm of KPMG.

All finalists were independently verified by the professional services firm of KPMG. KPMG reviewed and validated the gross revenue records as presented in the financial statements under the supervision of Dabir Tati.

With three lines of service: audit, tax, and advisory, KPMG member firms can be found in over 140 countries. Collectively they employ more than 135,000 people across a range of disciplines.
