All finalists were independently verified by the professional services firm of Ernst & Young. It reviewed and validated the gross revenue records as presented in the financial statements. Ernst & Young is a global leader in assurance, tax, transaction, advisory services and strategic growth markets and employs more than 141,000 people globally across a range of disciplines.

To qualify for the ranking, companies must be owned by one or more Asian Americans (at least 51% ownership), among other eligibility criteria. Based on percentage revenue growth over three years, selection was determined through direct applications and nominations. All finalists were independently verified by the professional services firm of Ernst & Young.
